Dear Landowner,

Your property is under Farm Special Assessment; we are requesting updated information and application from you. Enclosed is the necessary application form. State law requires that the land must produce a specified minimum gross income to be eligible for this special assessment. Please read the enclosed information carefully. The requirements are different for land farmed by the owner and land leased to another farmer. Again, **please read the instructions carefully**. In order to verify income, submit a copy of your Schedule F or Schedule 4835 from your federal income tax return for the years 2018 through 2022 with your application.

All income information provided for the purpose of this application will be strictly confidential.
