

The Wallowa County Surveyor **Richard Shaver**, is currently appointed by the Board of Commissioners. The Surveyor reviews all records of survey, subdivision plats, and condominium plats and assists the Wallowa County Commissioners on matters concerning surveys, as needed, as well as, searching for and restoring section and quarter corner monuments set by the General Land Office.

The Surveyor's office contains all the recorded survey maps for Wallowa County. The majority of surveys have been scanned and are available via email or paper copy.

The County Surveyor, works a lot in the field, please contact Richard to set a time to meet at 541-398-1768 or by wcsurveyor [at] co.wallowa.or.us (email).
